Silver Elegance

Should you wish to plan the entire wedding on your own, but want a professional to oversee your event to make sure that everything you have selected and contracted for are done in a timely and efficient manner.

Two progress meetings to determine the facets and overall construction of the wedding event
10 phone calls (within normal business hours)
Email Access to Consultant
Etiquette Advisement
Rehearsal Direction (1 hour)
Wedding Day Management (includes supervision of wedding and reception)
Confirmation of all vendor services 2 weeks and again at 5 days prior to the wedding
In Addition To Your Primary Wedding Consultant, Up To Two (2) Professionally Trained Coordinator's Assistants Will Be Present To Ensure The Efficient Management Of Your Event
(Number of assistants is based on the scope and complexity of the wedding)
